University Transfer Pathway (UTP)

Our University Transfer Pathway program offers students an opportunity to complete their four-year bachelor's degree. The transfer program provides courses equivalent to the first two years of a university degree. Students can take two years at Davis College, then transfer to a university to complete their four-year degree upon fulfilling admissions requirements.

High School Completion Accelerator (HSCA)

The High School Completion Accelerator partner with Wesley College Preparatory School provides students with opportunities to complete a high school diploma and college credits transferable towards a bachelor degree. It saves time and money when students enter college before completing high school and graduate from university at least one year earlier than their high school classmates.

Intensive Language Learning Program (ILP)

ILP is an intensive language learning program that is offered by American Learning Advant-edge (ALAE) at Davis College. It is designed based on solid scientific theories in the field of teaching English as a second/foreign language, where brain-based approach is utilized to maximize the student's learning experiences.

“ I came to Davis as an International Student from Pakistan. Despite the pandemic and limitation of studying on campus all the faculty members and my instructors collaboratively worked and gave us the best Education experience.
Being a part of Davis College has been the best decision of my life. ”

Sobia Tariq
Medical Assisting 2021

“ I am from Nigeria. I have been a student at Davis college for one year. From what I have experienced, I can tell you how great the school is. The teachers are very reasonable and fair. The staff is excellent, and the rules help keep the school safe and in order. Now I have the almost desire to be a Medical Billing and coding specialist and **Davis College has given me the opportunity to achieve that.** ”

” **Moshood Oyekan**
Medical Coding and Billing 2021

“ My motivation of going back to college is that I want to seek for more possibilities and switch career path. Comparing to universities, community colleges charge lower tuition. Davis College also locates in a city where living expense is moderate. Hence, **Davis College is a perfect start point of my pathway.** ”

Xiaobai Chen
